## From the East

Brethren -

I hope that everyone is doing well and staying healthy. We will be having our meeting on August 17<sup>th</sup> at 7:30pm, again without a dinner beforehand. I will try to keep the meeting short and we will be following all the safety precautions that we followed last month. We have some petitions that we need to vote on and one for the first reading which I think we can do safely.

Since this will be a short meeting without a meal, I don't think there is a need for tuxes. Instead, put on your best (or worst) Hawaiian shirt for Hawaiian shirt night. It's also highly encouraged to wear a mask. We should still have masks that we can provide with Jo-Jo's Masonic logo for those who attend.

Like I said last month, the most important thing that you can do to protect each other is to stay at home if you have felt ill at all in the last two weeks. I will be posting signage on the door stating that no one with fever or symptoms of COVID-19, or known exposure to a COVID-19 case(s) in the prior 14 days, is permitted to enter the Lodge. I would also suggest that anyone who is in a high-risk category consider staying home.

There will again be plenty of hand sanitizer on the secretary's desk as well as soap in the bathroom to keep your hands clean. We will be cleaning/disinfecting the lodge before and after meetings as well.

Some of the other precautions we'll be taking is maintaining social distancing, using a modified ritual for taking up the word, not passing around a sign-in sheet, and keeping the meeting as short as possible.

If you are at the Lodge, you may notice that the Bailey room has a nice new bookshelf and a fresh coat of paint. I'd like to thank Bro. Eric LeHew for supervising the scout who built our new bookshelf and Bro. LeHew and Bro. Case Knight for painting. They took this initiative on their own and it's very much appreciated.

Sincerely and Fraternaly

*Howard Snowdon*
