From the East

Brethren -

I hope that everyone is doing well and staying healthy. We will be having our meeting on September 21 at 7:30pm, without a dinner beforehand. We will again keep the meeting short and continue with our safety precautions, but we do have a couple petitions that we need to vote on. The attire for the meeting will be business casual.

As you may already know, our Brother Mike Selander passed away last month. I would like to thank Wor. Bennett Corrado and all the other Brothers that were able to pull a Masonic Funeral together with short notice. The ceremony was very much appreciated by the family.

We have a blood drive scheduled for October 2nd from 12:00pm – 6:00pm. I just checked their site and most of the appointments are still available. If you can donate, please go ahead and schedule an appointment. The Red Cross had to cancel the last blood drive we had scheduled because many of their staff were ill, but I do know that they really need the donations.

On October 3rd we will be hosting the One Day Conferral for the district at our Lodge. We will be having a practice on Saturday, September 26th, at 8:30am to go over all the logistics. We have about 10 candidates from our Lodge that will be a part of this class and it is important that we make this the best possible experience that we can. So, if you are a part of the cast for any of the degrees, please make sure to be at the practice.

Finally, I would like to remind everyone that masks are highly encouraged if you attend the upcoming meeting. I also ask that we try to maintain appropriate distancing while at the Lodge. Hopefully, things will return to normal in the near future but for now let's continue to do everything we can to keep each other safe.

Sincerely and Fraternaly

Howard Snowdon
